A STORY

Chickens are farm birds. A male chicken is called a rooster. A female chicken is called a hen, and the young one is called a chick. Chickens are kept for their eggs and meat. There are two kinds of chickens, broilers and Layers. Broilers are for meat and are kept for about 5 – 8 weeks and then are slaughtered and sold. Layers are kept for eggs. It takes about 19 weeks before they begin to lay eggs. Broilers and layers are kept in a chicken coop. this project is called poultry farming.
