PASSAGE

Uadilifu was sick. His aunt took him to a nearby hospital. When they reached at the hospital, his aunt asked the nurse if they could see the doctor. The nurse told them to wait. After waiting for a long time, Uadilifu's aunt requested the nurse to allow them to see the doctor as Uadilifu's condition was getting worse and he could not wait any longer. The nurse said that the doctor needed a bribe in order to serve them.

After hearing this, Uadilifu's aunt called the police who sent a detective. A trap was set and the corrupt doctor was caught red handed. The doctor was finally dismissed from work and jailed for a long time. He suffered in prison and his family lacked their basic needs. Corruption is an evil that needs to be rid of as it deprives people of their basic rights.
